Mud Creek Project EA Comment Period – Public Webinar

Purpose: The purpose of the webinar is to provide information about the draft environmental assessment (EA) and how to comment and continue to participate in the planning process.

Date and Time: Tuesday, April 6, 2021, 6:00 p.m. to 7:00 p.m. Mountain Time. Please join 10 minutes early to ensure you have time to access the webinar software.

Format: The presentation is expected to last approximately 20 minutes, and the remainder of the time will be for questions and answers. You may submit questions ahead of time to seth.carbonari@usda.gov. During the live event, we will accept written questions using the Q&A pod. Members of the project interdisciplinary team will be available to answer questions.

Access:

1. The webinar will be a Microsoft Teams live event. Microsoft Teams can be accessed through a web browser (e.g., Google Chrome, Microsoft Edge, Mozilla Firefox). If accessing using a mobile device, you may need to download the Microsoft Teams app for your device.

2. To join, open your web browser and click or copy and paste this link: https://teams.microsoft.com/l/meetup-join/19%3ameeting_NTdiODMyZWYtZTkzZC00NmQ4LWJlZWEtMDRkNjEzMjk2YjM1%40thread.v2/0?context=%7b%22Tid%22%3a%22ed5b36e7-01ee-4ebc-867e-e03cfa0d4697%22%2c%22Oid%22%3a%2247e0bcfe-9f62-4b6c-9bc0-c4063aedc06a%22%2c%22IsBroadcastMeeting%22%3atrue%7d.

3. Audio and video will play through the software. Live captioning in English will be available. Please use the following steps to open live captioning during the meeting:

   a. Click on the little cogged wheel in the lower right corner of the event screen.

   b. Click on "Captions / Subtitles."

   c. Click on English.

   Live captioning will start displaying on your screen. You can adjust the color, size of font, and background transparency of captions using the "Captions / Subtitles settings" button. To replay captions, pause the presentation and replay a portion before continuing to watch the presentation.

Recording: For those unable to attend the public webinar at the time of the event, a recording of the webinar will be available on the project website following the event.
